

Welcome to Cubex LED Lighting

Welcome to Cubex LED Lighting Solutions! We provide a wide range of LED lighting products and services, designed to meet the needs of both residential and commercial clients.

About Us

We pride ourselves on our knowledgeable staff, who are here to guide you in selecting the perfect lighting solutions for your projects. From design consultation to installation, we offer comprehensive services to bring your lighting vision to life.

A leading supplier & manufacturer of low energy lighting products for all industrial and commercial sectors. Working through sales partners or distribution we have completed installation for blue chip clients, facilities companies and large retail clients throughout the UK.

About Our Services

At Cubex LED Lighting Solutions, we are committed to delivering high-quality lighting solutions that enhance the ambiance and energy efficiency of any space. Our carefully curated range of products ensures that you have access to the latest in LED technology.

Our mission at Cubex LED Lighting Solutions is to provide lighting that not only illuminates but also adds to the aesthetic and functional value of your property. Whether you need custom lighting designs or energy-efficient solutions, we are here to help you achieve your goals with precision and expertise.
